SUBJECT: Submittal of a Resolution Amending the Traffic Regulation Code Establishing Through Highways on Linne Road, east of Paso Robles and Via Concha Road, Nipomo

Recommendation

If is our recommendation that your Board adopt the attached resolution amending the County's Traffic Regulation Code pertaining to through highways.

Discussion

The Department of Public Works received a request for additional better traffic controls on Linne Road, east of Paso Robles. With the increase of traffic along the road, there is need to control entrances of private and public roads intersecting Linne Road.

Via Concha Road has an existing ordinance in place. This action will revise the limits of that code to include additional roadway currently under construction by private development. Placement of signs will be done by the developer. Approval of the through highway will allow the Director of Public Works to place stop signs as needed to control cross street traffic.

Other Agency Involvement/Impact

The California Highway Patrol and the Sheriff's Department enforce the Vehicle Code on County Roads.

Financial Considerations

Posting of the signs marking will cost approximately \$200 at each location. This is within the Road Fund's budgeted amount for this activity.

Results

Approval of the recommended action will enhance County road safety, by allowing the Director of Public Works to control cross traffic on the subject County roads.
